CHAPTER 20
"Final Chapter"

Thank You!

Hey Black Bullet readers,

We apologize for the delay of our recent uploads for Black Bullet, however we've managed to finally finish the Black Bullet manga. Thank you for all the support throughout the year since Heavenly Scans has formed, it's been a blast picking up this manga from ASDF Scans.

It has been a tough ride balancing college and work with a lot of our members, but we have been managing.

We're currently working on the "Medarot" manga, as well as a new unscanned manga named "Tokusatsu Gagaga". So please look forward to that, keep in touch with IRC!

-Saki
